I'm a creative kid at heart from a small village. I've been an Eagle Scout for 23 years, which helped me become empathetic, responsible and develop an ease when working with teams. A developer-turned-People Partner focused on bridging the gap between technical excellence and human-centric strategy

People Experience Partner @ Imaginary Cloud | 2022 - Present

- Facilitating Feedback: Encourage feedback loops through monthly 1:1s, ensuring individuals feel supported in requesting and receiving constructive input;
- Performance assessment: Support career aspirations by offering guidance or identifying skill gaps to help individuals progress in alignment with corporate KPIs;
- Career Pathing: Address concerns about career trajectory and future opportunities by providing clarity and support.

AM & People Partner @ Mediaweb Global | 2019 - 2022

- Establish and nurture positive relationships with key decision-makers within assigned accounts and multidisciplinary teams (designers and developers);
- Mediator to facilitate resolution of conflicts among project teams;
- Rocket UI co-creator.

Academic Experience

- Bachelor in Health Information Sciences | 2016 - 2019
- Product Management, Carnegie Mellon Portugal | 2025 - 2026

Volunteering

- National Team for Inclusion | 2020 - 2022
- Projeto Rafiki | 2017 - 2020
